Maui, Jan. 6 .- During new year's evening one of the largest and most successful dancing parties of the season was held in Spreckelsville Hall, through the courtesy of Mr. Hugh Center, manager of the plantation. "Old Probabilities" was in a pleasing mood, and the Kahului Railroad Company's train conveyed a goodly number of Wailuku, Kahului and Makawao people to the scene of festivity. Ropes and garlands of fern adorned ceiling and wall, to which the gay tints of bunting made strikand guava were also intertwined and Arlington Hotel, King Street; Tele- huge Chinese lanterns added their phones: Mutual 630, Mutual 499. quaintness to the pretty effect. In one corner a grouping of choice potted plants claimed attention; in another the figure of an elephant, constructed of pretty foliage, was conspicuous. Behind a bower of greens the Waikapu string band, composed of four musicians, discoursed harmony that caused eager feet to trip lightly across and down the glassy floor. At 8:30 p. M., Floor Manager W. Grother arranged the opening dance, which was followed by a long and varied programme of terpsichorean events.

The presence of a coterie of Californians, temporarily engaged on the plantation, furnished the many fair ones present with skillful partners galore, and as many as thirty couples were noted keeping time to waltz

About a hundred guests enjoyed the lavish spread of viands in the dining hall, and returned thanks to Caterer Brittain for his efforts in their

behalf. The time-honored Virginia reel, executed most vivaciously, formed the farewell event of a most enjoyable party, and it was 3:30 "in de morning by de bright light" before the guests sang "After the Ball" as the spirit of

steam pulled them homeward.

PERSONAL MENTION. Mrs. A. C. Greene of Makawao is causing her host of friends much anxiety by her prolonged and sericus

illness Mr. E. M. Walsh, formerly manager of Paia plantation, was married on New Year's day to Miss Hattie, the daughter of Mr. and Mrs. Andrew Sproul of Oakland, Cal. Congratulations from Maui friends.

Yesterday was a "red letter" day for Mr. and Mis. B. D. Baldwin, of Makawao; it marked the advent of a son and heir. The fond parents think it is the prettiest baby in the world. Arrivals on Wednesday, the 3d inst., per steamer Claudine: Mrs. H. P. Baldwin and Miss Maud returned to Haiku, after a long visit to Chicago and Oakland. Miss Annie Alexander, of the latter city, accompa-

nied her relatives. Mr. G. P. Wilder, superintendent of the Kahului Railroad, also returned. Mrs. Wilder was detained

in California owing to illness. Mr. J. G. Anderson, Jr., was also on the list, and he intends to visit his uncle, Hon. James Anderson of Mrs. Ailau, Mrs. Oliver Stillman, Makawao, for several months. The pipe was badly bent.

The Japanese named Sako, who was arrested for the malicious burning of the cane on the Pioneer plantation on Sunday the 4th of December, has been held to answer before the jury at Wailuku next term. This Japanese is the one whom "Detective" Chester A. Doyle, by clever disguise and a thorough knowledge of the Japanese language, discovered to

have been one of the guilty quartet. Wailuku district native Sunday Schools held a convention during Christmas Day and Makawao followed suit during Happy New Year at Pookela Church, Makawao. The different schools represented were, Wailuku, Huelo, Haiku, Keokea and Makawao (two). The exercises passed off most fittingly and happily. There was an aroma of happy feeling in the air which aided the many events of the day's programme. Prominent Hawaiians present were Rev. Kamakele, Messrs. J. W. Kalua, J. Kalama, S. Kaine, Jno. Kin-ney and Judge Kealoha. During the afternoon a large and inviting luau was served at the residence of John

HAWAII AT THE FAIR. The Australia Takes a Great Many Attractions for the Village.

The Australia carried away a great many attractions for the Hawaiian exhibit at the Midwinter Fair. The fellow of the 14-foot shark which was caught only to die a few weeks ago has not yet been secured, but a youngster about two feet long was shipped, as a forerunner of the monster to follow. For several weeks different specimens of Hawaiian fish have been caught and consigned to a tank on the west side of the harbor, where they have lived together very amicably. About fifty of these

were put aboard the Australia. A considerable number of coffee trees of various sizes were also shipped, which will go to enhance the tropical effect of the fern stumps and cocoanut branches which have already gone before. The riding bullocks which created such a sensation in Honolulu a few days since are also safe on board, and it is safe to assume that they will make a much bigger sensation in San Francisco than they did in Honolulu.

Quite a large colony of native Hawaiians were also passengers. ber. They will show how mats and hats and fans and wreaths are made in Hawaii. The girls will dance-in their modest and decor-Mr. W. O. A considerable number of Hawaiian exhibits of various sorts were also sent up, and the steamer of the 11th will take more.
